## A GUIDE FOR CLIENTS

*This documentation outlines the basis upon which RLA is engaged in Productive (Food) Landscapes. It assists the client in understanding the process and administration of the Regenerative Services. It lays the foundation for further documentation, including the Management Agreement and the investment associated with our services.*

# PRODUCTIVE (FOOD) LANDSCAPES GUIDE

## OUR UNIQUE APPROACH

Our unique service begins with our dedicated and organised approach of 6 core things which underpin a successful management program. There is a high level of care and consistency in our delivery of productive (food) landscapes service which enables our gardens to flourish with abundance and health. We achieve enduring results in the landscapes because we have developed a system that builds on education of the soil and our relationship with our customers through regenerative approach to productive landscapes.

## HOW TO WORK WITH US

### SELECT YOUR SERVICE

We will work with you in the initial site consultation to design a management and maintenance program that will work in our regenerative landscape model.

### DESIGN YOUR SCHEDULE

We will help guide you in selecting the best fit for scheduling services to your landscape based on seasonal and climatic observations and work in with nature's patterns.

### BOOK AND CONFIRM

Book in your one off service or secure your exclusive day of the week and a payment option that works for all involved.

### MAINTENANCE STARTS

We will keep you in constant contact on your start date, regular visits and or delays via phone, text and email.

**Accounts:** End of month account holders will be issued invoices on the 1st of the following month with 7 days to pay. Overdue accounts will attract a \$60 overdue fee for every week overdue. Our accounts clearly indicate the due dates and fees due. Standard maintenance services are payment on completion unless otherwise arranged.

**One Off Services:** Clients requiring our one off services will be requested to prepay before the services begins, this can be done via our website using PayPal and Credit Card. These attracts a merchant fee which will be added to the account.

**Methods of Payment:** Cash on completion - Credit Card via PayPal + Card fee - Direct Deposit.

**Travel Down time:** The nature of our business is service based. Travel to and from your property will be included in our quotation for services based on 15min blocks from our office in Bega.

**Variations to Contacted Works:** Our service model is focused on a fixed price maintenance and management agreement. At any time the clients request extras outside the fixed price sum we will prepare what is called a (Do & Charge form) to be signed by the client before commencing. Items purchased for clients outside of a quotation and bill at the end of works will be charged at purchase price + 30% to allow for carrying the cost and admin to recover the outlay for the client.

**Premium Clients:** Our Premium clients have unlimited access to our phone or email **On Call Access** between the hours of 7am to 7pm Monday to Saturday for all matters regarding our services and extras requests. Also we can answer any questions that will help you understand your landscape and how we can assist you with ideas of increasing its productivity and regenerative nature.

\* **Cancellations or reschedules:** made within 48 hours of appointment incur a \$60 cancellation fee. This will not apply for our regular or fortnightly premium clients. Cancellations on our behalf due to weather will be rescheduled at the earliest possible convenience.

**Client Privacy and Security:** Our clients security and privacy are on the top of our services list. We will talk with you in detail on your requirements. All our staff and contractors will be police checked and details of all on site recorded at each visit.

**Work Hours -** Our work hours on domestic sites will start at 8am and finish at 5pm at the latest during daylight saving hours. Commercial or rural clients start times will be 7am to 6pm during EDST.

Extras are an additional cost, and are available at every visit. Our extras are administered on an as-needed basis, therefore we recommend our extra's as you need them and advise you of the cost at which point you decide if you wish to engage. Call us to discuss your options.

# URBAN LANDSCAPE MANAGEMENT PACKAGES

## Maintenance Program #3 - Urban Farmer Service

This service is what we are all about - Regenerative landscapes - Productive food producing landscapes and we can help you yield a return on your energy invested. This service has 3 levels from the DIY farmer that needs a little help each month getting organised to the Ultimate farmer where you can trust that leaving it

SERVICE TYPE	FREQUENCY	VISITS PER MONTH	HOURS PER VISIT	GUARANTEED DAY
<i>Urban Farmer DIY</i>	<i>Monthly</i>	<i>1</i>	<i>4</i>	<i>YES</i>
<i>Urban Farmer Premium</i>	<i>Fortnightly</i>	<i>2</i>	<i>3</i>	<i>YES</i>
<i>Urban Farmer Ultimate</i>	<i>Weekly</i>	<i>4</i>	<i>2</i>	<i>YES</i>

to us to generate the highest yields and have fresh home grown food on their plates daily. From picking greens to main crop style veggies. In each of the services we can custom design your garden for maximum yield and ease of management. We can supply organic seed, advanced organic seedlings, compost teas and soil probiotics and mulches if your not growing your own on site. See our Productive (Food) Landscapes page on our website for more details and book a consultation. Education in Permaculture design to you the client is a big part of all of our services and bigger still in this service.
